**Chinlink • Credit Finance Strategic Investment and Cooperation
Signing Ceremony and Cross-Sectional Summit on “Internet+”
Chinlink Jointly Developed Internet Finance Business
With China Renowned P2P Enterprise**

[8 June 2015 - Hong Kong] To grasp the opportunities arising from “Internet+”, Chinlink International Holdings Limited (“Chinlink”, HKSE Stock Code: 0997) and its subsidiaries (collectively the “Group”) actively develops its Internet Finance Business and has successfully entered into a letter of investment intent with 深圳市信融財富投資管理有限公司 (“Credit Finance”) on 4 June 2015, aiming at collaboratively developing the P2P internet based investment and lending platform, and further reinforcing the diversity of the Group’s business.

Reflecting the significance of the cooperation, the Chinlink • Credit Finance Strategic Investment and Cooperation Signing Ceremony and Cross-Sectional Summit on “Internet+” was organized in Futian Shangri-La, Shenzhen on 6 June 2015. The event brought together leading industrial elites and experts to conduct in-depth discussions on the development and new opportunities in the Internet Finance industry, at the same time, witnessing a significant milestone of the Group’s first successful step in the Internet Finance market. During the event, the discussion drew overwhelming response from the audience. The contracts exchange ceremony between Chinlink and Credit Finance was followed by the round-table discussion of “Influence of Internet Financing on Conventional Industries” and “Self-discipline and Law: The Future of P2P, Prospective of Regulatory Bodies”. Audience benefited from the distinct and professional sharing from experts in various industries. This was the high tide part in the event which made it a great success.

Mr. Siu Wai Yip, Executive Director of Chinlink, expressed during his opening speech, “We are pleased that Chinlink can go hand-in-hand with Credit Finance, the innovative and leading enterprise

in the Internet Finance market to develop P2P business. Credit Finance's P2P online financing platform (www.xinrong.com) is one of the best online financing platforms amongst its peers. Its diversified product portfolio, high-end R&D capabilities, exhaustive risk management, comprehensive financial management system and customer services have provided millions of investors and financing parties with excellent financing solutions. Meanwhile, being a unique supply chain financial logistics services provider, Chinlink has to be forward looking in the adaptation of online financing solutions to complement with our existing financial setups. Riding on the upcoming trend of "Internet+", internet information technology has gradually been applied to conventional industries. With Credit Finance's experience in the P2P industry, the Group believes that the strategic cooperation can fully enhance and enrich the Group's strategic layout in developing the internet finance business, thus bringing in new growth strategies to the Group's business"

Mr. Qi Yang, Chairman of Credit Finance, also expressed his anticipation towards the collaboration, "To Credit Finance, the collaboration with Chinlink, a listed company in the Main Board of Hong Kong Stock Exchange, can bring in various benefits to our P2P platform. With strong cash flow from Chinlink, Credit Finance can fine-tune our P2P system and strengthen our competitiveness amongst our peers. Furthermore, with Chinlink's new investment to Credit Finance, this can enhance our brand's value as well as provide our investors' full confidence. Both parties can also lower the operational cost and have better control in risk management through such valuable cooperation and consolidation, with a goal to complement advantages of both parties and achieve a win-win situation."

Chinlink has been keeping up with the development pace of the industry, in which we are dedicated to deepen and expand the Group's finance, logistics and e-commerce businesses from different perspectives, in order to create synergies among each business sectors. As one of the core growth drivers of the Group, the Group has always attached great importance to the development and the diversity of the finance business. Following the success of our newly launched finance lease company in May this year, the Group takes a step further to develop P2P business with Credit Finance, extending the finance business from offline to an online platform. The Group also hopes to reinforce our business strength in the long-run, as well as enhances the Group's national brand awareness beyond the constraints of geographical and time boundaries. Looking ahead, we will continue to seek and explore various business opportunities, with a view to further capture development potentials from each business segment.

Mr. Siu Wai Yip (Left), the Executive Director of Chinlink International Holdings Limited and Mr. Li Bin (Right), the Chief Information Officer of 深圳市信融財富投資管理有限公司 exchanged the Letter of Investment Intent on Proposed Subscription, symbolized the coherent cooperation on P2P business in future.
