Sponsored “Plateau Bluebells 藍花花”
A Contemporary Dance Performance by The Hong Kong Dance Company
To Promote the Essence of Shaanxi Culture

[24 November 2012 – Hong Kong] Sponsored by **Chinlink International Holdings Limited** (the “Company”, stock code: 0997.HK), “Plateau Bluebells 藍花花”, a contemporary dance drama by the renowned Hong Kong Dance Company, completed a successful performance on 24 November 2012. Notable guests included representatives from the Liaison Office of the Central People’s Government in Hong Kong (中央人民政府駐香港特別行政區聯絡辦公室) and friends from the finance and cultural sectors. The Company has also reserved approximately 700 seats for various non-profit organisations and primary and secondary schools, with the initiative to promote the cultural and artistic experience of Shaanxi to a diverse background of people.

“Plateau Bluebells 藍花花” is a romantic love story inspired by folklore from the famous Northern Shaanxi (Shaanbei) Loess Plateau. Fusing traditional folk dance with modern dance aesthetics, the Hong Kong Dance Company has effortlessly translated the poignant story to the audience through visual and musical elements.

Mr. Li Weibin, Chairman of the Company, said: “As a new Hong Kong resident born and raised in Shaanxi, I am very familiar with the subject and deeply touched by the performance. I am pleased to see the appreciation shown by the Hong Kong audience towards a dance piece inspired by Shaanxi culture. Chinlink International Holdings Limited currently holds many businesses in Shaanxi, a province with thousands of years of glorious history and enormous business opportunities. In view of the cultural difference and geographic distance between Hong Kong and Shaanxi, I hope the performance of “Plateau Bluebells 藍花花” will allow the Hong Kong audience to learn more about Shaanxi’s folk culture and to encourage more interactions.”
